UNITED STATES OF AMERICA,

Case No. 19-1796 C

Judge \_\_\_\_\_

**PLAINTIFF’S MOTION FOR PROTECTIVE ORDER**

Pursuant to Paragraph 17 of Appendix C to the Rules of the United States Court of Federal Claims, Plaintiff Amazon Web Services, Inc. (“AWS”) respectfully moves for a Protective Order in this matter consistent with the United States Court of Federal Claims Form 8, *Protective Order in Procurement Protest Cases*, to protect confidential, proprietary, and source selection information contained in the Complaint and other filings and hearing transcripts in this bid protest.

The Complaint and related filings contain source selection sensitive information, as well as AWS’s proprietary information, trade secrets, and confidential financial information, the public release of which would cause either party severe competitive harm. The record in this bid protest likely will contain similarly sensitive information. Accordingly, AWS respectfully requests the Court GRANT this Motion.

Respectfully submitted,
